Declares He'll Never Grant an Independent Parliament.

ONE PARTY INSUFFICIENT

He Says It Takes Two to Run Ireland.

Liverpool, Feb. 14.-Lord Rosebery received a tremendous ovation at the great liberal demonstration here this evening. he strongly emphasized his hostility to the Irish party and his desire to utterly dienate it from the Liberal camp.

During his remarks Lord Rosebery said that the greatest change in heart and head undergone during his five years' absence from public life was in regard to the Irish problem. Mr. Gladstone's statement cast no reflection upon the great statesmen who originated them. The Irish purty had now indignantly epudiated any connection with the Libral party, and he believed they had acted wisely. It was both to their interests and to those of the Liberal party. The Irish leaders had played their full hand, They had demanded an independent parliament in Dublin and thereupon he had cried "halt." This remark was greeted of-way through Oklahoma territory and with appleuse. Continuing, Lord Rosebery said:

"I am not prepared at any time or under any circumstances to grant them an independent parliament. No sane person would ever consent to handling over the destinles of Ireland, situated in the very heart of the empire, to a parliament controlled by those who have expressed the Sofia, Feb. 14.-Bulgarian official news- make them perfectly clear in relation to
